EXAMINER COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is responsive to the Notice of Non-Compliant Amendment mailed on July 17, 2003. Applicant has hereby corrected Claim 79's status identifier to indicate that Claim 79 has been amended. Applicants therefore believe that the response adopts and complies with the revised amendment format announced by the U.S. Patent & Trademark Office, in which the provisions of 37 C.F.R. § 1.121(a), (b), (c) and (d) are waived for amendments to the claims, specification, and drawings. Therefore, the Applicants will show any amendments to specification and claims directly herein as opposed to providing both clean and marked up versions thereof.

Accordingly, in response to the Examiner's Office Action mailed March 13, 2003, please amend the above-identified application as follows:
